The Barcapel Foundation

We are delighted to announce that Barcapel Foundation have generously granted us funds for our celebrations. This guarantees the staging of our conference and Medieval Fair as well as contributing to other aspects of the events programme.

It is also a great pleasure to welcome Glasgow Cathedral to the Cluny 2010 Scotland programme with a free lunchtime concert by *Canty* on Friday, 14th May.

More information to follow in our January Newsletter. Meanwhile look here:
