

Review of Non-Denominational Education Provision in Maybole

South Ayrshire Council is committed to providing pupils, staff and communities with the best possible school buildings and facilities and we want to involve you in the development of the future strategy for the school estate in Maybole.

Two open meetings have been arranged where you can learn more about the school estate in Maybole and participate in discussions on the future shape of the school estate.

The meetings will take place at 7pm:

Gardenrose Primary School	22 November 2011
Cairn Primary School	29 November 2011

If you are unable to attend any of these meetings but would like to take part in the engagement exercise, please visit www.south-ayrshire.gov.uk/consultations and submit your views online. Alternatively, you can e-mail mayboleeducationconsultation@south-ayrshire.gov.uk or call 01292 612703 to request a feedback pro-forma.

The Council is also preparing to carry out surveys with staff and pupils to give them an opportunity to participate in the school estate discussions and to submit their views and comments. The surveys will be undertaken early in 2012.
