

North Carrick *Decides*

The next round of participatory budgeting is now open to applications for **North Carrick**

Groups with Projects that require support up to **£2000** are invited to apply to this round

The event will take place on **Saturday 30th September** from 10am to 2pm and the closing date for application is the **8th of September 2017**

Projects will need to fit with at least one of the following criteria...

- Address social isolation
- Communication
- Transport and access to facilities, activities and services
- Make a dementia friendly society
- Opportunities for youth

If your project would benefit from more funding a second round will take place later in the year for bids of up to £10,000. Groups will not be eligible to apply to both rounds so please prioritise your projects.

The project can exceed £2000 but you must be able to demonstrate that you have the relevant match funding in place. At evaluation, evidence of the full project value spend will be required. Unlike previous PB days, with this one, we are trialling an event that will be more like a market stall day rather than applicants having to go on stage to pitch for money.

Stalls will be available to demonstrate and talk about your project and visitors will drop in rather than having to be there all day.
